UKULELE SONGBOOK 2020

GONNA BE ALRIGHT - Hannah Milo

INTRO: Dsus2

VERSE 1:

Dsus2

I used to think it was easier working on my own
 I used to tell myself that if I asked for help, I'll never
 grow
 I used to try and see how much of something I could do alone,
 no

Bm **A**
 But little did I know (1! 2! 3! 4!)

CHORUS:

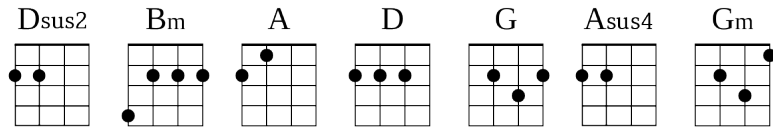

D **G**
 It's easier with you now by my side
Bm **Asus** **A**
 Like everything just seems to fall in line
D **G**
 Quite honestly, you saved me just in time
Bm **G**
 Now in my mind, deep inside, yes I know
Gm **D** **G** **Bm** **G**
 We're gonna be alright, we're gonna be alright

VERSE 2:

D **G** **D** **G**
 I used to hesitate whenever I would knock on someone's door
D **G** **D** **G**
 I used to hide away and shy away from the edges of my walls
D **G**
 I used to be afraid of climbing 'cause I hate the thought that
D **G**
 I might fall (fall)
Bm **A**
 But the sun begins to shine a little brighter everyday

CHORUS:

D **G**
 It's easier with you now by my side
Bm **Asus** **A**
 Like everything just seems to fall in line
D **G**
 Quite honestly, you saved me just in time
Bm **G**
 Now in my mind, deep inside, yes I know
Gm **D** **G** **Bm** **Asus** **A**
 We're gonna be alright, we're gonna be alright

BRIDGE:

Bm **G**
 I used to be toe-deep into the water
D **A**
 But now that I'm with you, I can dive into the blue
Bm **G**
 I'm standing at the feet of new horizons
D **A**
 I never thought I'd get here, but because of you I have

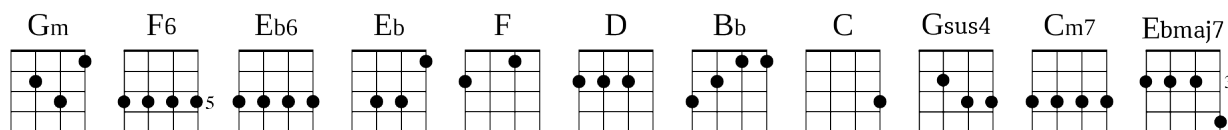

CHORUS:

D **G**
 It's easier with you now by my side
Bm **Asus** **A**
 Like everything just seems to fall in line
D **G**
 Quite honestly, you saved me just in time
Bm **G**
 Now in my mind, deep inside, yes I know
Gm **D**
 We're gonna be alright

OUTRO:

D **G**
 alright, gonna be alright, alright, gonna be alright
Bm **G** **A**
 alright, gonna be alright, alright, gonna be alright
D **G**
 alright, gonna be alright, alright, gonna be alright
Bm **G** **Gm**
 alright, gonna be alright, gonna be alright
